- Git
- NodeJS
- Bootstrap
- UI/UX Design
- Leadership Experience

Experience

Hosanna / Campus Production Manager

July 2017 - PRESENT, Lakeville MN

I reduced staffing needs for the audio, video, lighting, and streaming department by implementing automation and empowering volunteers at one campus within a multi campus church. I reduced the cost and demand on our department while improving the experience of our product.

Trinity / Technical Arts Director

Oct 2015 - July 2017, Lakeville MN

I implemented modern audio, video, and lighting elements in this organization. I empowered volunteers by coaching and delegating.

Education

Minneapolis Media Institute / AAS

Feb 2014 - June 2015, Edina MN
